COUNTERTOP SNEEZE SHIELD

Description:-

- This 35.5" tall by 48" wide acrylic countertop sneeze shield provides coverage for your counter or work area.
- The design with tall front and side panels helps to provide wrap-around physical separation.
- Full-width 6" high gap under the front panel makes it perfect to exchange payment or items at customer service and sales counters. Can also be assembled with a larger, smaller, or no gap as desired.
- This portable sneeze guard is composed of three clear acrylic panels that ship and store flat. Easy to assemble and disassemble for transport using the provided brackets. Flexible brackets allow side panels to be flared out to 125 degrees which increases the shielded width from 48" up to 58".
- To safeguard our employees and customers, we are not accepting returns at this time.
- Dimensions: 35.5"H x 48"W up to 58"W x 11.75"D
- Easily angle sides from 90 to 125 degrees to cover a total width of 48" up to 58"

- Access opening dimensions: 6"H x 47.5"W - Front panel can be assembled several inches higher or lower to adjust the height of the opening, with a proportionate change in the total height of the front panel
- Made from durable clear acrylic plastic
- Knock Down design ships and stores flat
- Freestanding countertop design does not require permanent installation or additional hardware
- Quick and easy assembly with included included brackets. No tools required.
- Care: Clean using non-abrasive soft cloths, mild soap and warm water. We recommend.
