AUTOMATED INFRARED BODY TEMPERATURE SCREENING KIOSK

Description:-

- Operateyour business with confidence by using theAutomated Infrared Body Temperature Screening Kiosk.Quickly and efficiently screen all incoming guests and employees for a fever to help prevent the spread of germs, illnesses, and viruses. Choose from our wall-mounted, table stand, and floor stand models.
- Facial Recognition software quickly scans and screens all people in front of the monitor. Monitor immediately displays temperature of scanned person.
- Eliminate costs on a dedicated temperature screener and give yourself and anyone entering your business a visible reminder that you are taking all the necessary precautions to protect their health and safety.
- Our Automated Infrared Body Temperature Screening Kioskcan be quickly set up to prevent anyone with afeverfrom entering a facility. Also, this kiosk helps recognize temperature of all

personnel in front of the screen.
