

## Rapala Scatter Rap Shad

Product #	CK98409-CK23
Features	<p>The ultimate baitfish shape just got a bad attitude. Observing it escape while darting side-to-side is one thing, but feeling a shad bait vibrate the rod tip makes it truly unique. Baitfish skitter and scatter when they are pursued by predators it's this erratic and evasive action that triggers the strike. Made of balsa, with a custom Scatter Lip, the Scatter Rap Shad consistently swims with an erratic and evasive sweeping action perfectly mimicking vulnerable baitfish. Cast or trolled, it is the perfect choice for any species of gamefish.</p>
