WHITE THERMOSET HIGH SPEED HAND DRYER - 1500W

- Whether at the back-of-house hand washing station or in the first floor restroom, an electric hand dryer is the sustainable, eco-friendly alternative to using disposable paper towels. Plus, this particular model is especially powerful and intuitive, taking just 8 seconds to dry hands after washing and operating at only 80 dB for comfortable, quiet drying. With adjustable settings and a durable, white resin cover, this Excel hand dryer is a must-have unit in any business!
- This hand dryer packs 1500 watts of heating power while accelerating air at 1600 LFM to remove leftover water on hands in just 8 seconds. It can provide up to 95% cost savings if you switch from using alternative paper towel methods.
- For additional convenience it comes standard with adjustable speed, sound controls, and adjustable heat settings. You can set the dryer to high, medium, low, or off depending on your

needs.

- The externally visible service LED light allows for intuitive use. Thanks to its low 80 dB operating level, it won't disrupt conversation by making too much noise.
- Width: 11 3/4 Inches
- Depth:6 11/16 Inches
- Height:12 11/16 Inches
- Amps:13.6 Amps
- Hertz:60 Hertz
