## STAINLESS STEEL SANITIZING WIPE DISPENSER

- Compatible with most sanitizing wipe rolls 9 1/2" in diameter or less (sold separately)
- 5" trash opening on side for disposing used wipes into 3 gallon receptacle
- Bottom rubber gasket protects surfaces
- Durable stainless steel construction
- Ensure optimal sanitizing with this stainless steel sanitizing wipe dispenser.
- Interior basket that is 10" in diameter and 8 1/2" in height for holding wipes.
- No-touch system minimizes cross contamination and promotes a more sanitary environment.
- Wipes are pulled through a rubber grommet with teeth to help them stand up visibly and tear easily.
- The receptacle can be accessed for emptying by simply lifting the top of the unit away from the bottom. A durable stainless steel construction provides long-lasting use and its wrap around rubber gasket protects both the floor and the unit from scuffs and damage.

Exterior Dimensions:
