AirPods 4 with Active Noise Cancellation

Immersive Audio Engineering: AirPods 4 with Active Noise Cancellation

The AirPods 4 with Active Noise Cancellation redefine portable sound by delivering rich, high-fidelity audio that brings every note to life. Featuring custom-built drivers and advanced acoustic architecture, these earbuds provide deep, resonant bass alongside crystalline highs, ensuring a premium and fully immersive listening experience for all your music, calls, and digital media.

Industry-Leading Noise Management

Escape the distractions of your environment with cutting-edge Active Noise Cancellation technology. Designed to intelligently filter out ambient sounds, these earbuds allow you to maintain focus in busy offices, crowded transit, or high-traffic areas. This precision sound control ensures that your audio remains uninterrupted, providing a sanctuary of clear sound wherever you go.

Ergonomic Comfort and Seamless Integration

Crafted for an effortless, all-day fit, the AirPods 4 feature a refined ergonomic design that balances comfort with stability. The lightweight housing is paired with intuitive touch controls and instant wireless connectivity, allowing you to manage your playback and switch between Apple devices with zero friction, making them the ultimate tool for a mobile lifestyle.

Versatility for Every Environment

Whether you are navigating a demanding workday, traveling across time zones, or relaxing at home, these earbuds are the perfect companion. The combination of premium audio, intelligent features, and a sleek, modern profile makes them the smart choice for users who refuse to compromise on sound quality or noise-blocking performance in their daily routine.

Enhanced Computational Audio and Call Clarity

Powered by the Apple-designed H2 chip, the AirPods 4 utilize advanced computational audio to elevate every interaction. The innovative Voice Isolation feature significantly improves call quality in loud environments by isolating your voice and stripping away background noise. This ensures that your conversations remain clear and professional, regardless of the noise level around you.

Intuitive Siri Interactions and Smart Sensing

Experience a more natural way to interact with your technology through Siri Interactions, allowing you to respond to prompts by simply nodding or shaking your head. The integrated skin-detecting sensors ensure that audio plays only when the earbuds are in your ears, while the Find My app integration and simple proximity pairing provide a truly magical and secure user experience.

Technical Endurance and Environmental Resistance

Built to keep up with your schedule, these earbuds offer up to 5 hours of listening time on a single charge and a total of 30 hours with the charging case. Both the earbuds and the case are IP54-rated, providing robust resistance against dust, sweat, and water, making them durable enough to withstand intense workouts and unpredictable weather conditions.

What’s Included

AirPods 4 with Active Noise Cancellation

Wireless Charging Case (USB-C) with Speaker

USB-C Charge Cable

Documentation

Product	AAT-AIRPODS4ANC-014
Color	White
Product Dimension	1.82in W x 1.97in H x 0.83in D
Product Weight	1.37 oz
Imprint Method	Blank, UV Printing Full Color
Imprint Area	Front - 1.30in x 0.80in, Back - 1.30in x 0.59 in
Imprint Location	Front, Back
Digital Proof	$20(P) (Required)
Minimum Qty	1
